

COOK N CREATE

OSHC ADVENTURES 2023

SUPER SUSHI

A firm fave at Cook n Create HQ! Kiddos get to make lots of delicious sushi rolls! They will get really creative with filling combinations and flavours and have a blast rolling their creations! We

will also make dipping sauces to complement their super sushi masterpieces!

PIZZA PARTY

This session brings the messy, gooey fun! We make our very own pizza dough and knead and roll until perfect! The kiddos get to mix, combine, roll, shape and build their ultimate pizza using all their favourite toppings! These pizzas are freshly baked on site for the kiddies to devour or they can be wrapped to take home!

ALL

\$25/HEAD

BRILLIANT BLISS BALLS

These bliss balls are full of delicious and nutritious goodies! This session is sticky, messy and ooooh so fun! We squeeze, mix, roll and much much more.. before they gobble them all up of course!

COOL COOKIE POPS

A super creative and crafty session! The kiddos will make 4 of their very own cookie pops and whilst they are baking away we will get super crafty with icing, food paint and lots of lollies to make our sweet treat decorations for our cookie pops!

This session is action packed! We do 3 amazing food Science experiments!

1. Fizzy Sherbert
2. Sherbert lemonade volcanoes
3. Ice cream in a bag

FUNKY FOOD SCIENCE

CREATIVE COOKS

You can also design your own incursion! If you have a theme or learning outcome you have a focus on or it's a special time of year e.g Christmas we can absolutely theme or customize our incursions to suit your needs - just contact Jess on 0416028987 or whizz an email with all the details to jessica@cookncreate.com.au
